

Prompts for Class Participation, Module 2

Be ready to engage in small group discussion and whole class discussion on the below items. Also be ready to step up to the podium for a few minutes to facilitate interaction, while projecting content from the textbook or while using the dry erase board.

- A. Choose a Figure from the Kalff text, share your interpretation, and facilitate discussion on it.
- B. Choose a Table from the Kalff text, share your interpretation, and facilitate discussion on it.
- C. Choose a Highlight from the end of a Kalff chapter and facilitate discussion on it, including the causes or supporting details of that highlight, as well as the consequences or implications of that highlight.
- D. Come up with your own prompt or discussion question and facilitate discussion on it.
